

2009 Certified Officials

These are the ONLY officials that are certified to work at Suburban League meets.

According to the rules passed at the Spring meeting it is REQUIRED that all officials at league meets be TRAINED. EVERY official MUST have PIAA or AT LEAST Suburban League certification. If your team does not have enough certified officials it is your responsibility to contact the opposing team and ask for volunteer certified officials, if available, to fill in. If you have trouble finding officials for your meet or want a certified official for Referee/Starter contact John Vernon at 484-695-0769

The League has offers stroke and turn clinics to "league certify" officials each year.

Quakertown
